A diagram of a chair with four curved arrows pointing outwards from the top corners of the seat, indicating movement directions.

A schematic diagram of a server rack cooling system. The rack is represented by a white rectangle with a black border. Inside the rack, four black circular fans are arranged in a horizontal row. Each fan has a complex, multi-layered grille pattern. The fans are connected to a power source on the left, indicated by a black line and a switch symbol. The entire rack is supported by a metal frame, shown as a black rectangle with four vertical legs. The background is white with a faint, repeating pattern of the word 'Server' in a light gray font.
