A diagram of a chair with four curved arrows pointing outwards from the top corners of the seat, indicating movement directions.

A schematic diagram of a battery pack cooling system. It shows a rectangular battery pack with four circular fans mounted on its top surface. The fans are arranged in a row. A horizontal line with four vertical connectors runs above the fans, and another similar line runs below them, representing the electrical or control system for the fans. The entire assembly is enclosed in a rectangular frame.
