A technical diagram of a 4-bay Evapco evaporator unit. The unit is shown from a side-on perspective, featuring four vertical bays. Each bay has a horizontal panel at the top and a horizontal panel at the bottom. The top panels are connected by a horizontal pipe with four vertical risers. The bottom panels are connected by a horizontal pipe with four vertical risers. The unit is supported by four vertical legs. A large, faint 'Preview' watermark is overlaid diagonally across the center of the diagram. In the top right corner, there is a small logo that reads 'evapco'.
