REV. 0

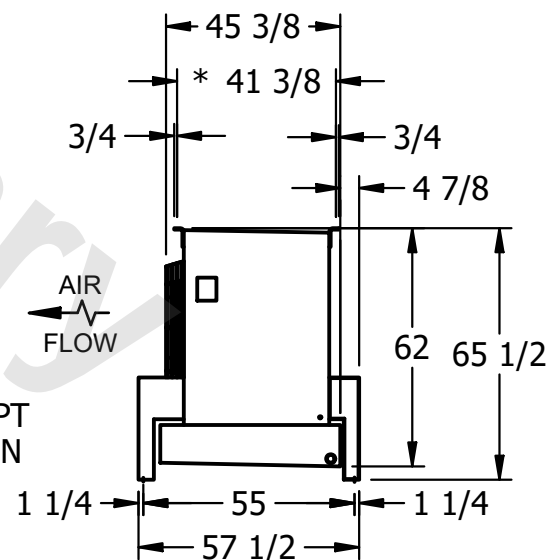

A technical drawing of a rectangular structure, likely a component of a vehicle or a piece of equipment. It features a long, horizontal rectangular body. Along the top edge, there are five vertical supports or brackets. Along the bottom edge, there are five vertical supports or brackets. A diagonal line is drawn from the bottom right corner of the main rectangular body towards the right edge of the drawing. The drawing is labeled with 'A' at the top left and 'B' at the bottom right.
