The technical drawing consists of two main views: a plan view labeled "FACE 2 PLAN VIEW" and an elevation view labeled "FACE 1". The plan view shows a rectangular unit divided into four sections by vertical centerlines. It includes dimensions for overall width (20'-5 8/8" [6112]), section widths (5 1/8" [130]), and various pipe locations and diameters. Key components labeled include fan motors (M), BFW inlet/outlet pipes, MPT overflow/drain pipes, and coil sections. The elevation view shows the side profile of the unit, indicating the location of access doors, crossover piping, and the overall height (205 5/8" [5223]). It also shows the base width (11'-11 3/4" [3651]) and specific mounting or clearance heights.
