A diagram of a chair with four curved arrows pointing outwards from the top corners of the seat, indicating movement directions.

A schematic diagram of a server rack cooling system. The rack is represented by a white rectangle with a black border. Inside the rack, four black circular fans are arranged in a horizontal row. Each fan has a complex, multi-layered grille pattern. The fans are connected to a power source on the left, indicated by a black line and a small switch symbol. The entire rack is supported by a black frame with vertical and horizontal bars.
