A schematic diagram of a chair. The chair has a square seat, a rectangular backrest, and four legs. Four curved arrows indicate movement directions: two arrows point outwards from the top corners of the backrest, and two arrows point inwards towards the bottom corners of the seat.

A schematic diagram of a server rack cooling system. The rack is represented by a white rectangle with a black border. Inside the rack, four black circular fans are arranged in a horizontal row. Each fan has a complex, multi-layered grille pattern. The fans are mounted on a horizontal rail at the top and bottom of the rack, indicated by small black brackets. A power cable is shown entering the rack from the left side, connected to the first fan.
