Technical drawing of a wall-mounted display unit. The unit consists of a large white rectangular screen mounted on a black frame. Above the screen, there are four small rectangular components, likely sensors or cameras, spaced evenly. Below the screen, there are three horizontal ventilation grilles. To the right of the screen, there is a control panel with a small rectangular display or indicator at the top and a larger rectangular control area below it. An arrow points to the control area. The entire unit is mounted on a wall, indicated by the mounting brackets on the left and right sides. A large, faint 'Preview' watermark is overlaid diagonally across the center of the image.
